Digital Banking - 80%

Other Products and Services - 5%

# Does CANSTAR rate all products available in the market?

We endeavour to include the majority of product providers in the market and to compare the product features most relevant to consumers in our ratings. However, this process is not always possible and it may be that not every product in the market is included in the rating nor every feature compared that is relevant to you.

# How often are all the products reviewed for rating purposes?

The *Customer Owned Institution of the Year* and other star ratings/awards are fully recalculated every twelve months based on the latest pricing and features offered by each institution. CANSTAR also monitors product changes on an ongoing basis.

# **Does CANSTAR rate other product areas?**

CANSTAR researches, compares and rates the suite of banking and insurance products listed below. These star ratings use similar methodologies to guarantee quality, consistency and transparency. Results are freely available to consumers who use the star ratings as a guide to product excellence. The use of similar star ratings logos also builds consumer recognition of quality products across all categories.
